## **WRITTEN FINANCIAL POLICY**

Thank you for choosing Modern Dental Concepts, Inc. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of that mission is making the cost of optimal care as easy and manageable for our patients as possible, by offering several payment options.

### **Payment Options:**

\*We offer a courtesy accounting adjustment to non-insured patients who pay for their treatment with cash or check upon scheduling treatment.

Acceptable forms of payment: - Cash, Check, Visa/Mastercard

- NO INTEREST<sup>1</sup> Payment Plans<sup>2</sup> from CareCredit

- Allow you to pay over time with NO INTEREST<sup>1</sup>
- Convenient, low monthly payment plans<sup>2</sup> also available
- No annual fees or pre-payment penalties

Please note: Modern Dental Concepts, Inc requires payment at time of service. For patients with dental insurance, we are happy to work with your carrier to maximize your benefits and directly bill insurance for reimbursement of your treatment.<sup>3</sup> As a courtesy to you, we will do our best to estimate your portion due at time of service. Any unpaid balance remaining after insurance reimbursement will be your responsibility. Insurance never guarantees payment and services can be denied for any reason your insurance plan deems necessary.

Modern Dental Concepts, Inc charges \$30 for returned checks. An 18% finance charge will accumulate for any unpaid balances that are over 60 days at the office.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you deserve.
